GourmetBox20 - Compact High-Performance Mobile Kitchen

The **GourmetBox20** is a fully equipped 20-foot mobile kitchen, designed for efficiency, versatility, and high-performance cooking in any environment. With advanced cooking equipment and a well-organized workspace, it ensures seamless food preparation for catering, festivals, and commercial kitchens on the go.

Key Features:

- **Advanced Cooking Equipment** – Includes a 16" fryer, manual gas griddle, and gas radiant charbroiler for diverse meal preparation.
- **Full-Range Cooking Station** – Equipped with a 36" range and 36" oven, allowing for high-capacity cooking.
- **Workstation Efficiency** – Features a sandwich prep table, equipment tables, and dedicated worktables for optimal workflow.
- **Refrigeration & Cooling** – Comes with a reach-in refrigerator and freezer, keeping ingredients fresh.
- **Ventilation & Safety** – Built-in exhaust hood for proper airflow and fire safety compliance.
- **Climate Control** – Fully air-conditioned for a comfortable working environment.
- **Water System** – 75-gallon fresh water tank with a pressurized system for continuous operation.
- **Power Options** – Operates on a generator, grid connection, or optional solar lighting upgrades, ensuring energy flexibility.

Perfect for catering services, food festivals, corporate dining, and mobile restaurant operations, the **GourmetBox20** provides a compact yet fully functional professional kitchen, ready for high-demand food service.
